Empathy Map Canvas

Dimension	Employee Perspective
Says	I need a simple way to book my metro ticket.
Thinks	I want the correct station, journey type, passenger count, and fare to be selected easily.
Does	Opens the ServiceNow portal, selects the metro ticket service, enters journey details, and submits the request.
Feels	Wants a quick, reliable, and convenient ticket-booking experience.
Pain Points	Incorrect journey details, manual fare calculation, unclear field behavior, and difficulty validating the ticket.
Needs / Goals	Guided ticket booking, automatic fare calculation, validated information, and a digital QR ticket for verification.
